ST. FRANCIS

HIGH SCHOOL

CALGARY ALBERTA

A black and white photograph of a courtyard. The main wall is made of dark bricks and features a large, intricate white metal sculpture of a man standing on a ledge, with his arms outstretched. The wall is also covered in a pattern of white, stylized, interlocking geometric shapes. To the right, there is a large window with a grid of white frames. The sky is visible at the top of the frame.

Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light; and
Where there is sadness, joy.
Divine Master,
Grant that I may not so much seek to be
Consoled as to console;
To be understood as to understand;
To be loved as to love;
For it is in giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born
to eternal life.

— ST. FRANCIS

PRINCIPAL'S MESSAGE

In addressing one's attention to the theme "Friendship", a warm feeling comes and one recalls some of our fondest memories. This is a comforting experience because "friendship" is often thought of as a virtue which is fast disappearing.

Each of us has our own personalized insights into the real meaning of friendship. Most insights would include elements such as trust and confidence; true friendships would be viewed in the light that "a friend can always be counted on for help". Most insights include, I suspect, the desire for a camaraderie - friends do enjoy being in each others company. Perhaps the most significant element of "friendship" centers around the concept of concern. A friend is one who really cares - even to the point of accepting personal sacrifice.

I am confident that all the above facets of friendship exist in good measure among the people of today, but there is an essential element that is missing as I view the quality of friendship. I choose to call the missing element, the element of apparency. In this age of large parishes, large schools, large cities and the like, we have all experienced great difficulty in making our genuine concern for others apparent. Others must know we care so we must find new ways to accomplish this. To this end the young and the not so young must strive.

And in striving, perhaps some day it will be said of us "Look . . . see how the Christians love one another".

The yearbook staff chose "New Wave '82" as the theme of this book, for many reasons.

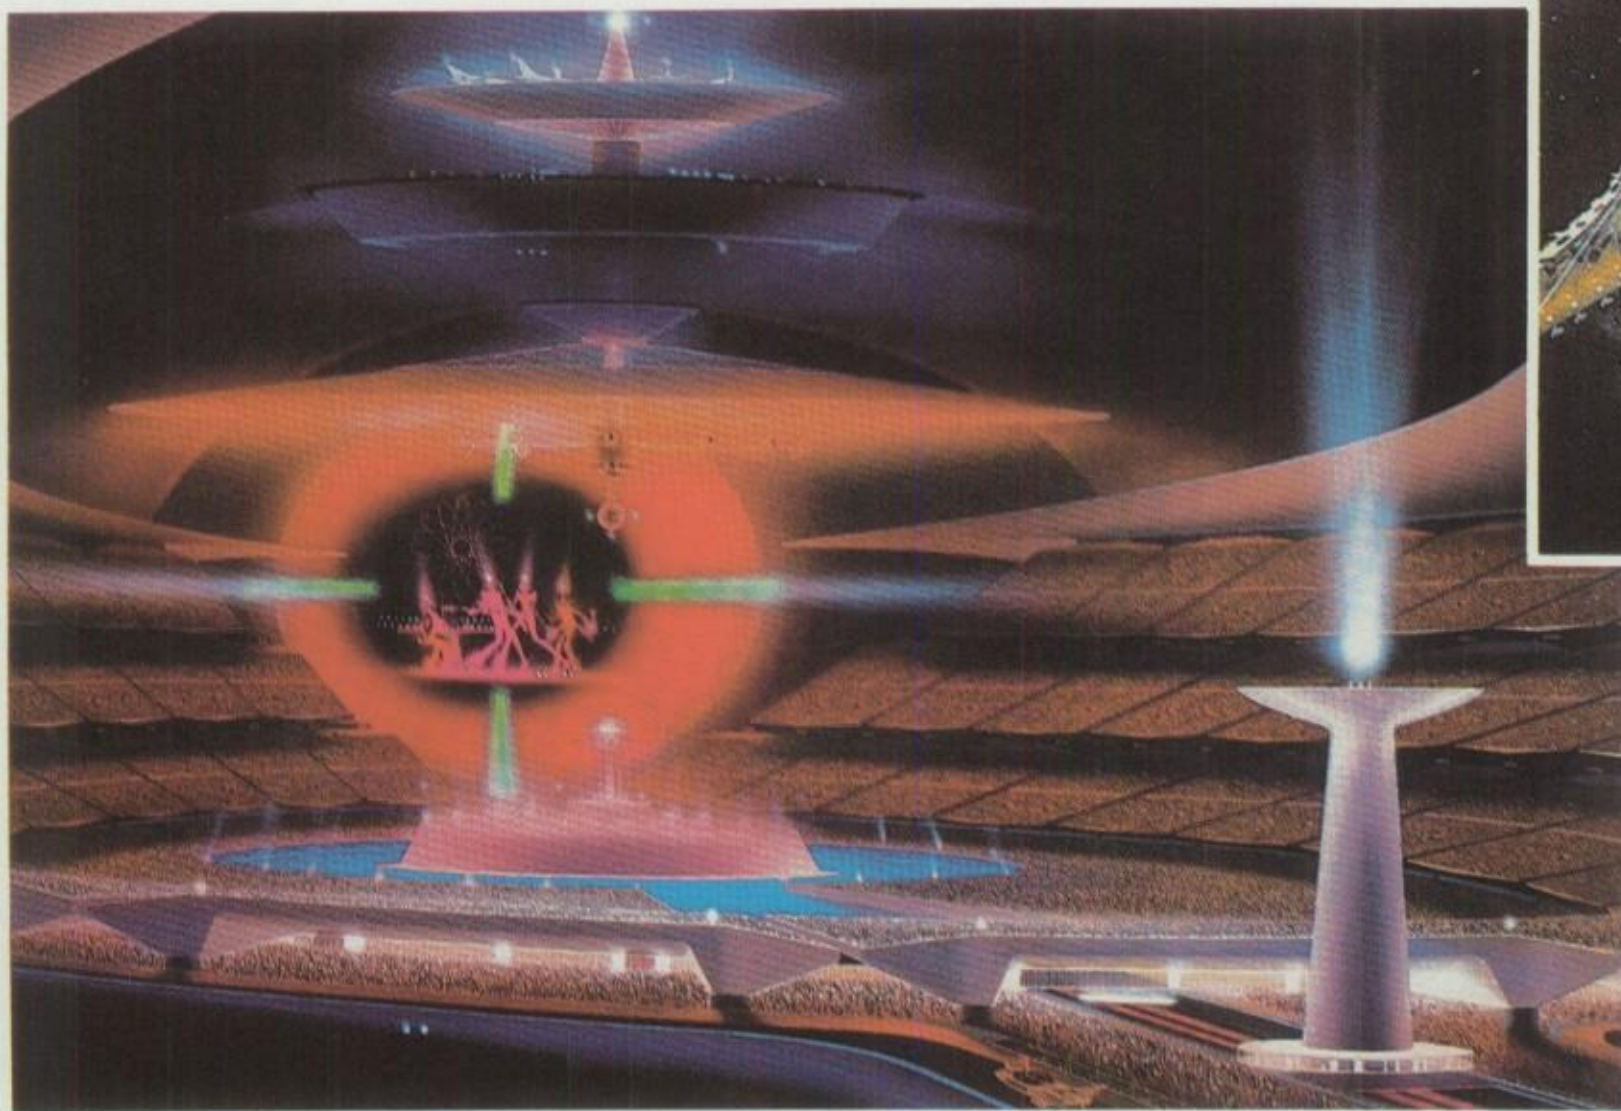

The "New Wave" could be the freshman class, the class of 1985. "New Wave" is a trend that is taking the country by storm. The music and clothes have a sound and look, all of their own. Finally, the country seems to be on a "New Wave" of its own. Conservatism seems to be the trend for the eighties.

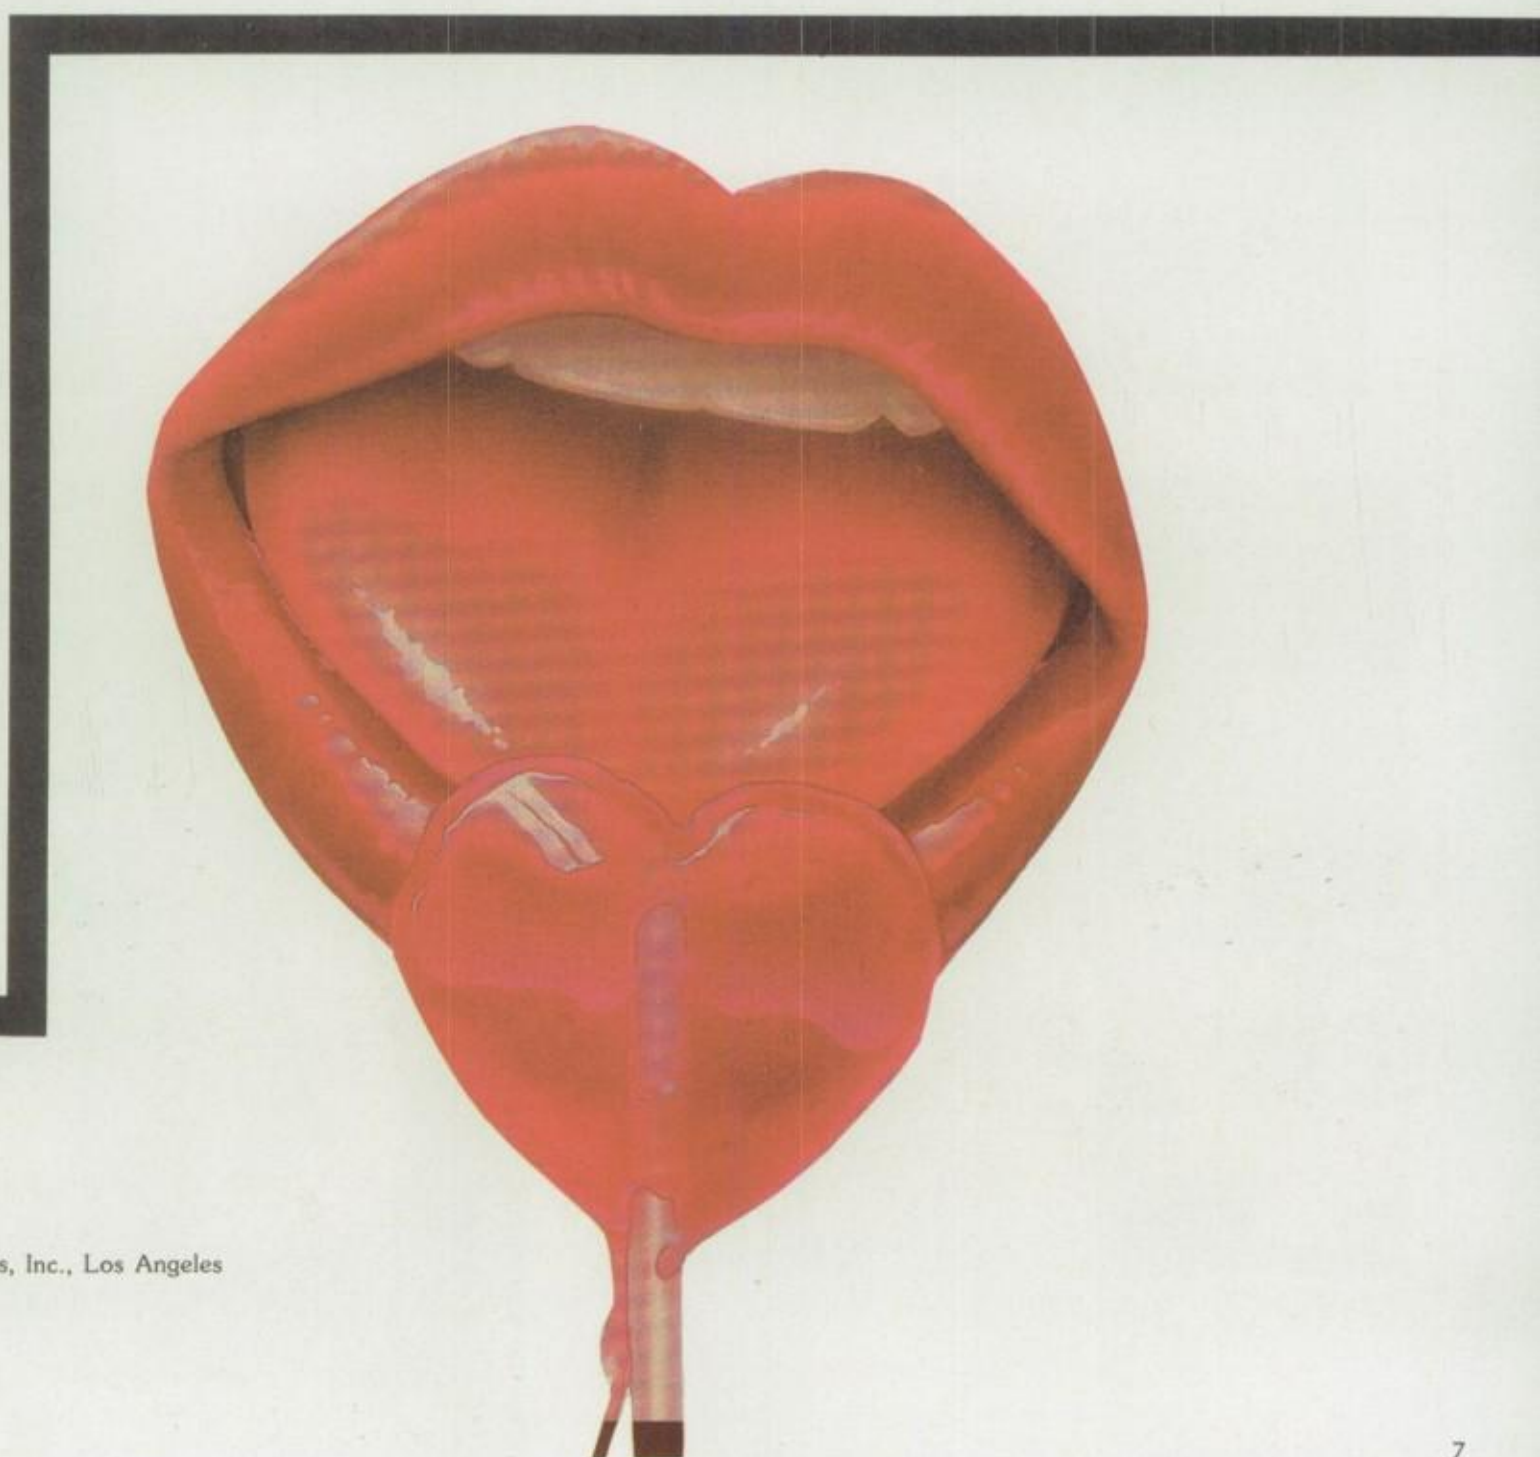

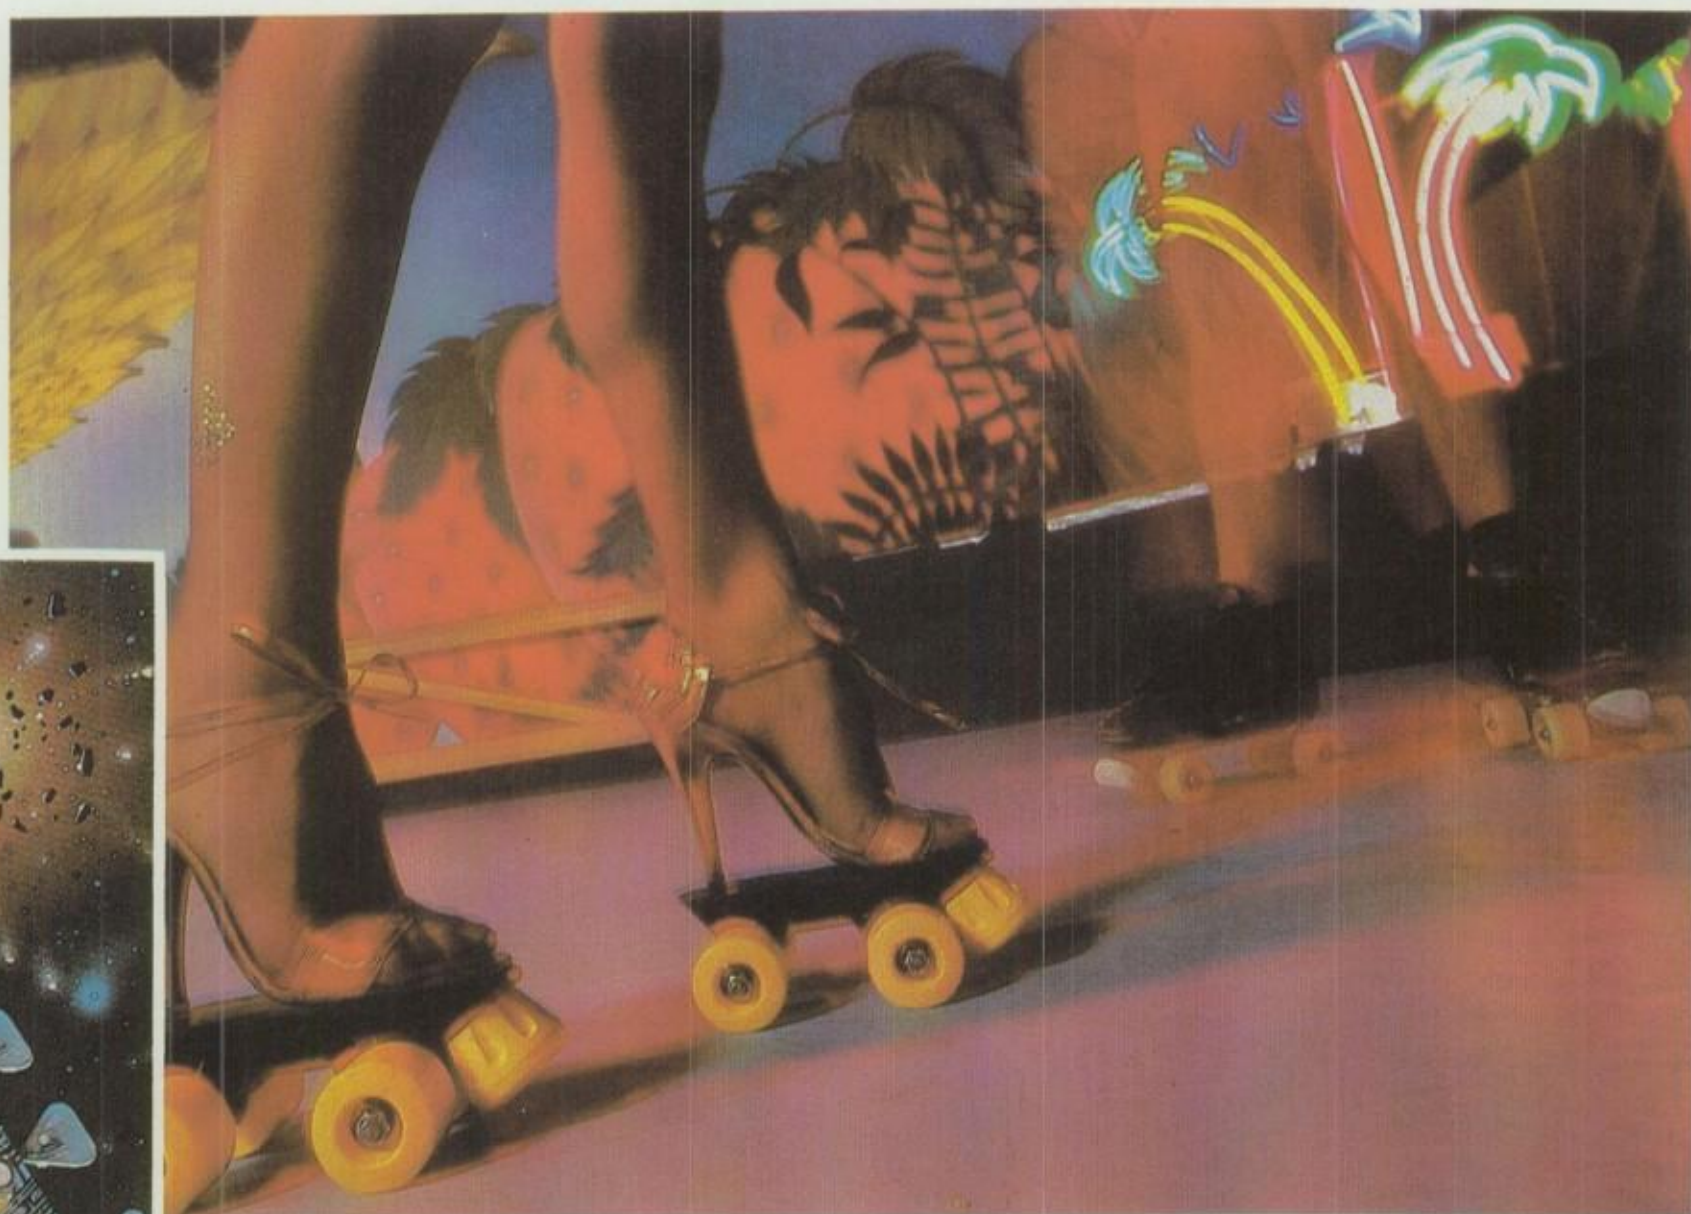

Well, however one sees it, another year has gone by, just as waves go by, one after the other.

Congratulations to the class of 1982 and all the classes to follow.

Concert Rain or Shine

A JOVAN PRESENTATION

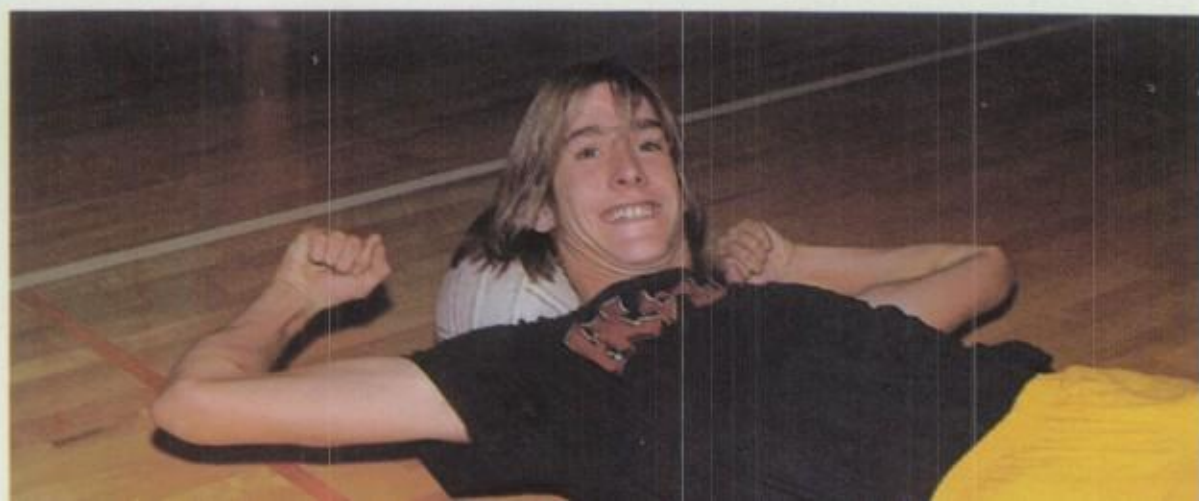

Everyone was seated under the hot October sun. Yes, there was sun over San Francisco in October. People of all ages were waiting for the big moment. They were all there to see the Rolling Stones. The group played at Candlestick Park on the weekend of October 17th and 18th, 1981. The last time the Stones had played here in San Francisco was in 1978. In tribute to the concerts, a few of the Bay area radio stations played the group's music all weekend long. The music included such hits as *Beast of Burden*, *Brown Sugar*, and the last song, *Satisfaction*. The well-behaved crowd, including many Capuchino students, made the weekend a "Rock-n-Roll Heaven."

Student Life

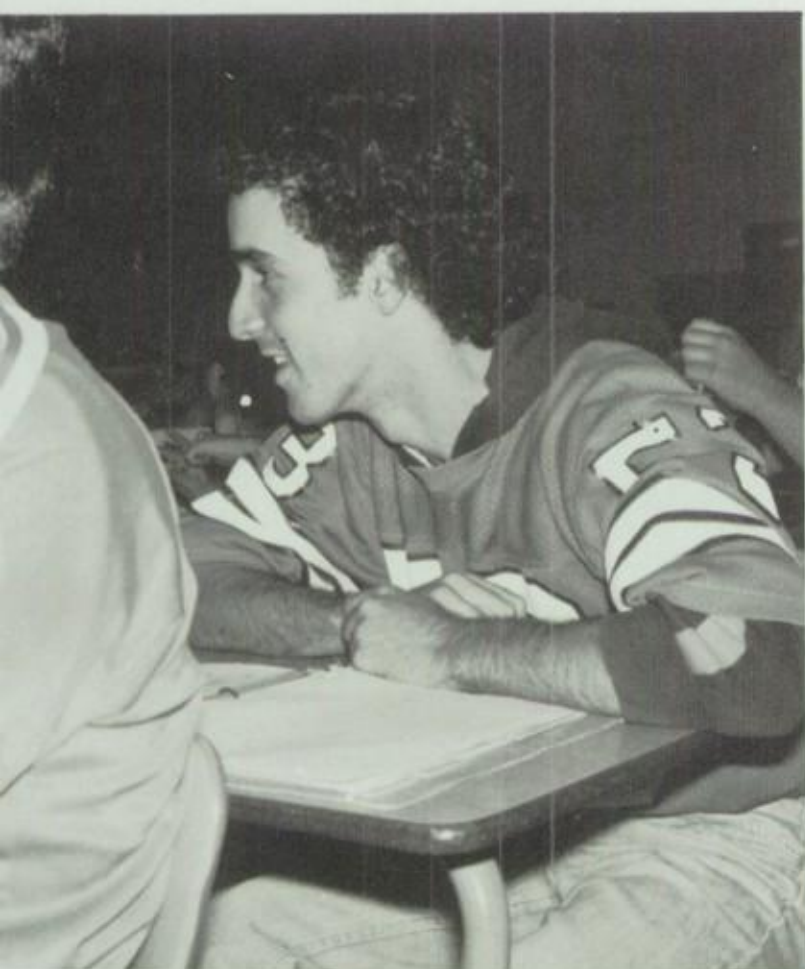

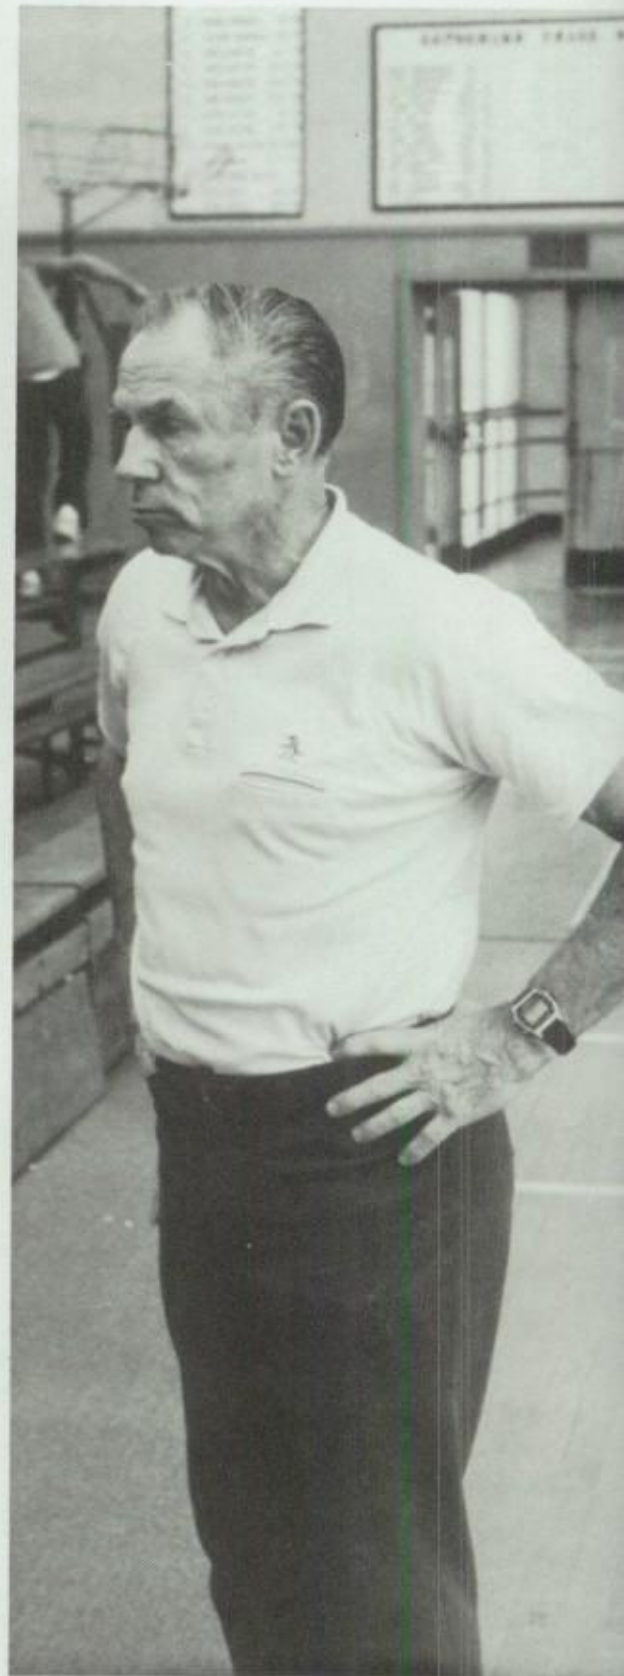

From jumping out of airplanes to toilet papering cars is what Cap's students do in their spare time. One could say a Capuchino student never has a boring day.

Principals — The Enforcers!

Samuel Johnson

Gerald Arrigoni

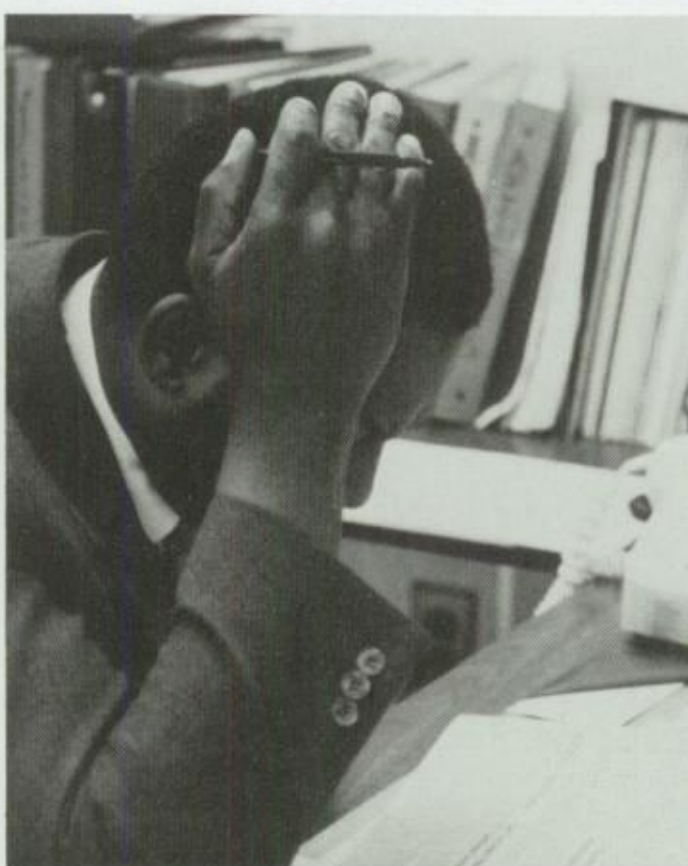

Wendy Giuntini

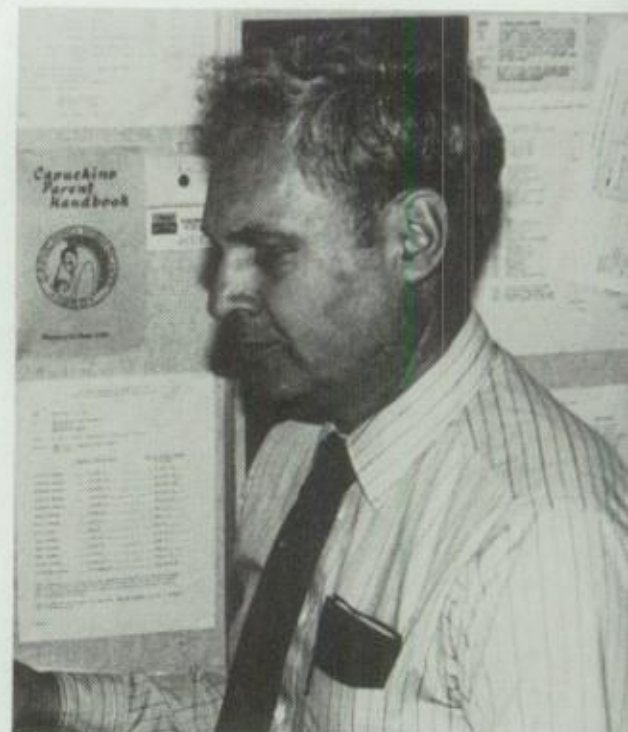

Hershal Herzberg

George Robinson

The administration is constantly seeking and supporting programs which will improve instruction and facilitate learning. The programs which have received the support of principal, Sam Johnson, assistant principals - Gerald Arrigoni, Wendy Giuntini, Hershel Herzberg, and George Robinson, include the School Improvement Program (SIP), the Computer Center, the CAP Program and the GATE Program. All of these contribute to make Capuchino an outstanding school.

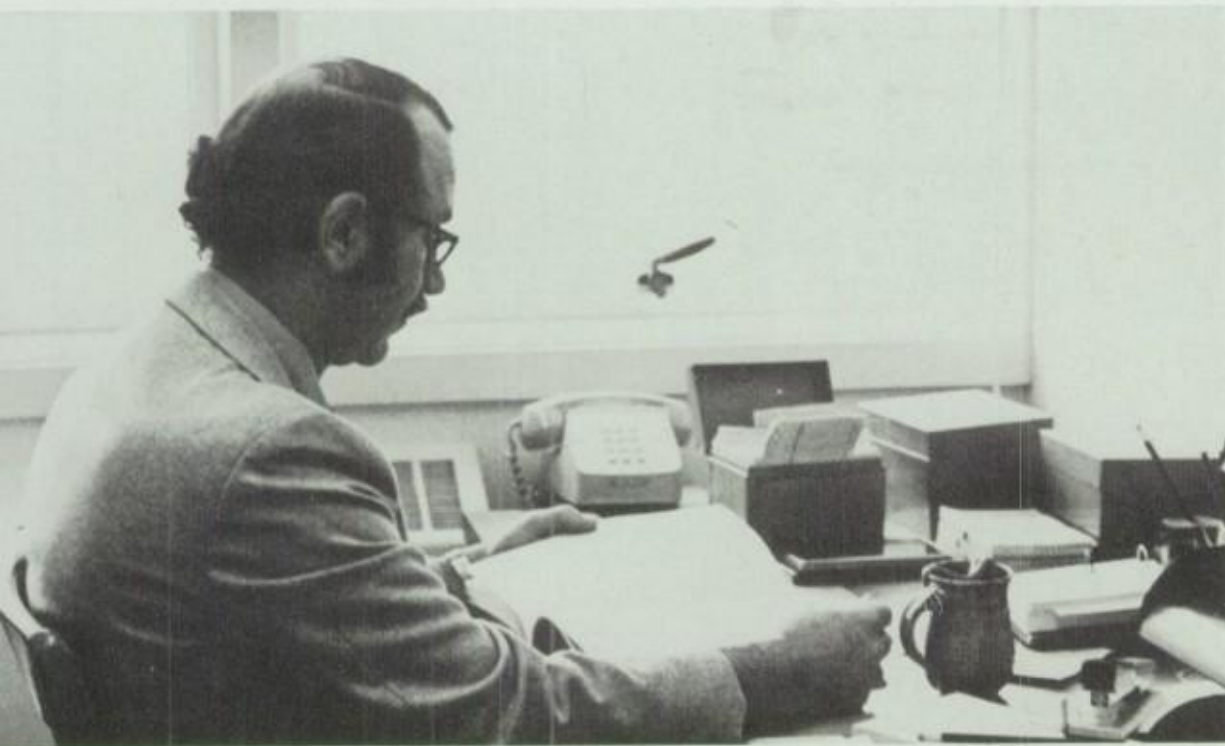

Whatever years are allotted to each of us, no one ever knows ahead of time; that is one of the "sweet mysteries" of life. One thing is certain, however. When a moment passes by it is gone forever, and nothing can recall it. So it is with the years in high school, which for our seniors, are only memories now.

For some, these remembrances are tender and warm; for others they are bland, neutral, perhaps even colorless. In Shakespeare's words, however, "What's done cannot be undone." Nonetheless, there is a large-looming future awaiting all of you which ought to be seized aggressively so that your lives will be filled with time well spent and years well lived. Take the future and let it be yours; make the world and your place in it what they ought to be.

Fondly and with best wishes always,
Samuel Johnson, Jr.
Principal

Counselors . . . Working For Our Future!

Counseling

The year of the merger was one of adjustment for our students and faculty that resulted in many requests for changes in programs and familiarization with different course titles and description.

Fall '81 was a comparatively smooth school opening with students well into their educational process early in the fall and spring semesters, and appreciably less schedule problems.

We felt that our career oriented counseling program utilizing the Career Planning Inventory (CPI), Eureka Computer System, (California Information Service), and the career center personnel and materials, give our students a great deal of vital information about themselves and their post-graduation goals.

Counseling services at Capuchino are designed to do the most we can for our students while they are here, and the best to help prepare them for post-graduate careers and the challenges of life that they will face.

Sincere best wishes to the class of '82

Completing the merger of the Cap and Crestmoor curriculums in English brought several changes to this department. Don Dake, department head, reports that the revisions were intended to keep the best of each school's plan. The phased system in use at Cap for a number of years, has been "phased" into courses that now have other titles. Provisions have been made to fit students of all abilities, from those needing basic skills introduction to ones in advanced placement for possible college credit.

This year the Social Science Department reviewed and developed new materials for the freshmen social science classes and for senior contemporary problems classes. Special programs also play a role in the special science department, such as the Close-Up program which allows students to go to Washington D.C. to study government up front. Local and state issues are highlighted in the senior government program. Leadership, a relatively new course, is taught by social science teachers. This course is designed to teach leadership skills to students who are interested in school and community improvements. All These courses make up a well-rounded social science department.

Mathematicians Do It With Figures

Dept. Head

Douglass Hills

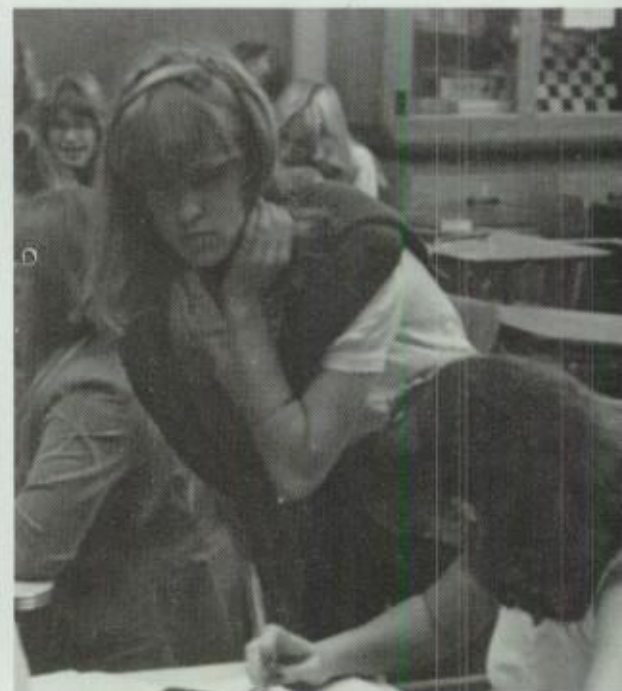

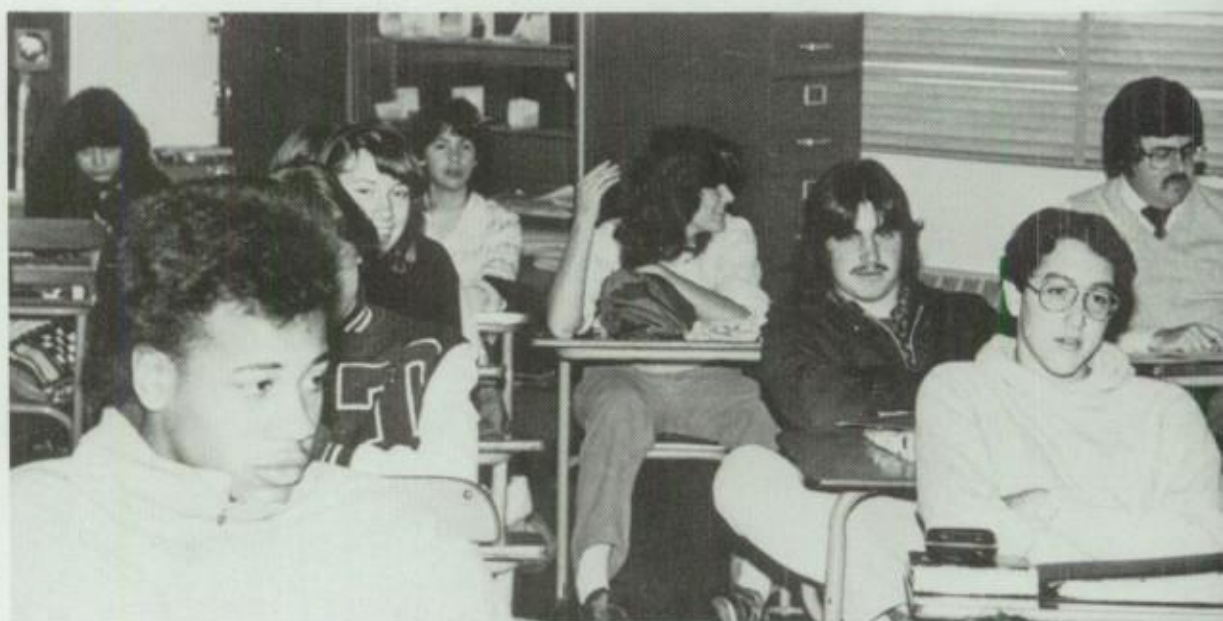

Dominic Mandella

Richard O'Malley

William Young

The math department had a new look this year. It offered a course in Computer Mathematics which was taught by Mr. Davis.

The S.I.P. (School Improvement Program) funded through AB 65 made it possible for Capuchino to receive 15 TRS 80 computers plus a teacher-operator to help instruct the students. The math department also kept up its high standards of teaching by offering basic mathematics and senior mathematics classes. All the instruction given will be sure to be a vital essential in the future.

Science Is An Experimental Experience

Richard Carpenter

Ronald Etherton,
Dept. Head

Gary Fry

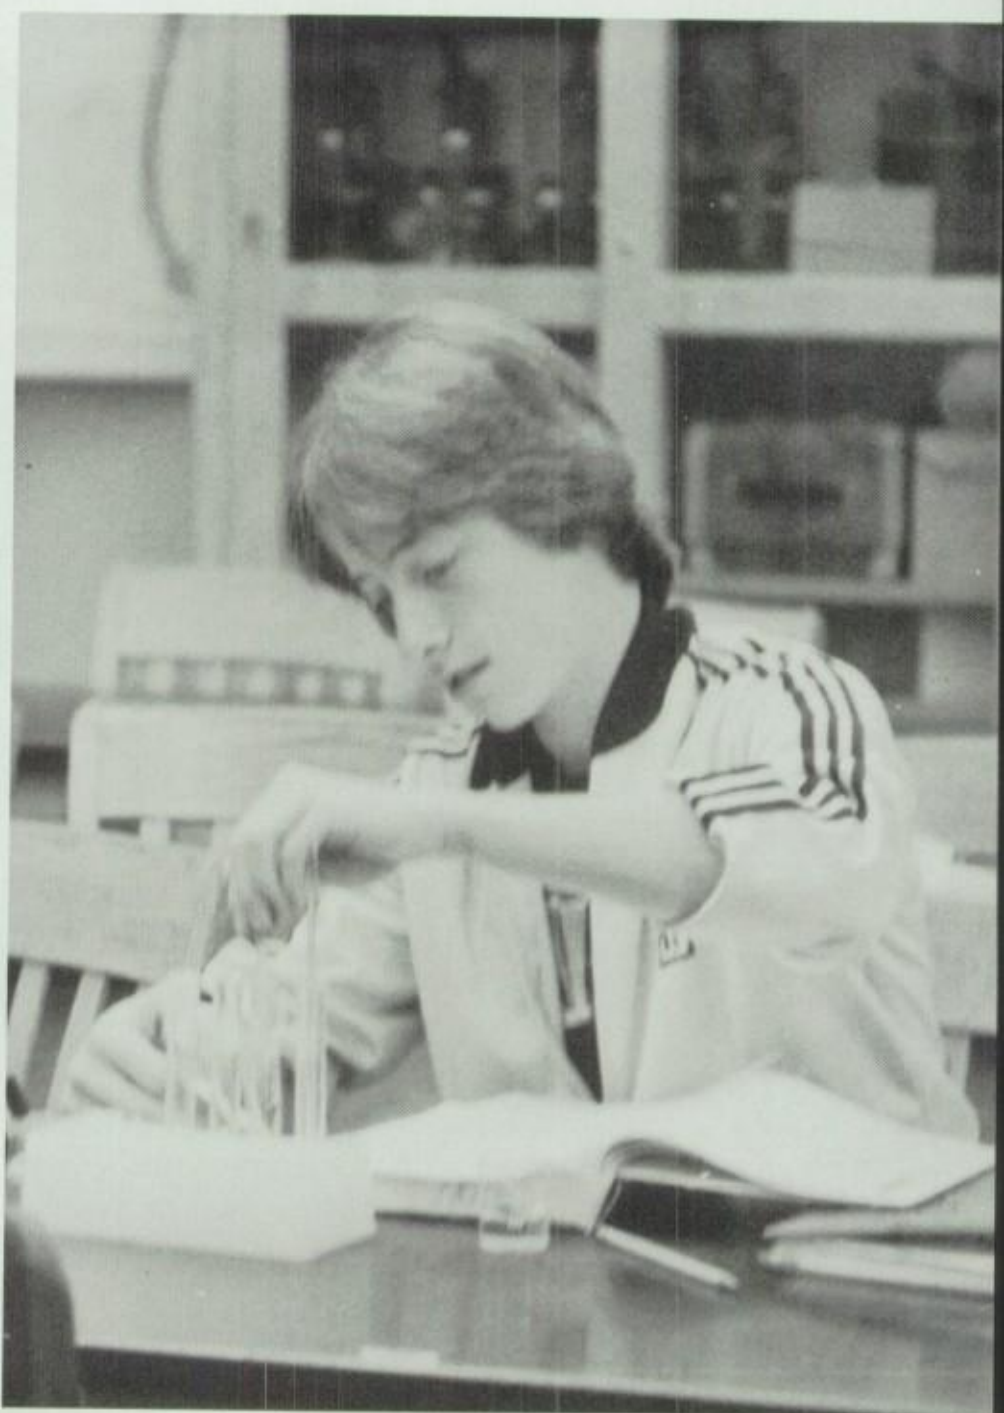

Gordan Lundgren

The science department continues to provide stimulating courses for the academically oriented student. A new course is being taught to Biology students called, "yellow version BSCS," which emphasizes the cellular level of biology. Doing a fine job teaching biology are Mr. Baber, Mr. Etherton and Mr. Fry. More than 20 students are taking a special class in Bay area ecology at the Coyote Point Museum. Mr. Lundgren continues to pass on his knowledge of physics to his physic students. Mr. Carpenter, the chemistry teacher, will be retiring after this year. Thank you Mr. Carpenter for more than 30 years of outstanding teaching and friendship here at Capuchino.

Margarita Vincent

The Language Department took on new dimensions this year. Thanks to Mr. Shurk, German was brought back to CAP. Field trips were made to the Hopper Exhibition, Exploratorium, the Alexander the Great Exhibit, and Stanford University under leadership of the multi-cultural coordinator, Mrs. Margarita Vincent. Room 313 was transformed into the Aztec Room. The Language Department held their annual International Week with Escargot races, Bota Bag drinking contest and Ethnic Foods. Also, on May 6, the annual International Dinner and Awards' Night was held.

Dept. Head

This year marked the beginning of the Art Departments mural painting class under the School Improvement Program, S.I.P. The class has become very popular and has worked in conjunction with the Student Government to help improve the appearance of the Capuchino campus.

The Art Department is also involved with the re-activation of the Capuchino auditorium and the development of a Community Theater program in the Capuchino auditorium. This activity is being coordinated by Mr. Meadows in the Music Department.

The third program of interest for this year is the establishment of a Capuchino Student's Art Gallery in the corridor between the Art Department and the auditorium. Student work is established in this area and may be purchased by the public.

The Art, Drama and Music Department at Capuchino is working with the A.B. 65 Committee towards the constant improvement in the instruction and environment at Capuchino High School.

Cap's Industrial Arts department, headed by Bob Wilkens, offers one of the widest selections of courses of any school in the Bay Area. A new addition to its instruction this year, was a special class for students who had not been in the department previously. In this class, learning the fundamentals such as reading both standard and metric rulers, prepares the way for working in the more advanced specialties. The department conducts classes in Woods, Metals, Technical Drawing, Auto Shop, Electronics, Photography, and Graphic Arts.

For the 1981-82 school year, the Business Department made extensive use of computers. Computers were used in job skills classes to teach numeric data entry skills in addition to reinforcing math and english skills. Computers were also used in advanced Typing classes to teach word processing.

The Business Department offered many different courses such as Typing, Shorthand, Work Experience, Accounting, Sales and Merchandising, Job Skills, and a brand new course in Banking. These courses help to make Capuchino students business people of tomorrow.

Hearing Impaired And Special Education!

The Hearing Impaired Program provides classes and support services for nineteen hearing impaired students. Many courses are offered in the H.I.P. Department by teachers Ann Holmes, Bob Grassmyer and Patricia Mueller-Vollmer. Interpreter, Lisa Cahn, and instructional aides, Donna Davidson, Lee Carpine and Tiny Sands, help integrate students into the mainstream of Capuchino. H.I.P. students participate in a variety of courses from adaptive P.E. through athletics and photography to geometry. H.I.P. also participates in the Close-Up Program with four students visiting Washington, D.C. this year. Capuchino continues to be a pacesetter in providing and supporting special programs for special students as society becomes more aware of the needs and abilities of the handicapped.

The Resource Specialist Program is a new program installed this year. Assisted by an instructional aide, the program provides instructional services to students identified by the Individualized Education Program Team as needing such instruction. The Resource Specialist Program also identifies and recommends appropriate support services to regular program teachers. The R.S.P.'s major focus is directed toward enabling students to function adequately in the least restrictive environment, such as a regular classroom, in which they and other students can be successful.

The Special Education Department continues to teach English, Math, Social Sciences, Science and Industrial Arts in its own classes. This department caters to the needs of students with average or above average intelligence who need remediation, tutoring, or other support services.

Call Out The Crew

L to R: Gino Tribuzi, Bob Eisenring, Angelo Garcia, Dante Barizone, and John Brunamonti

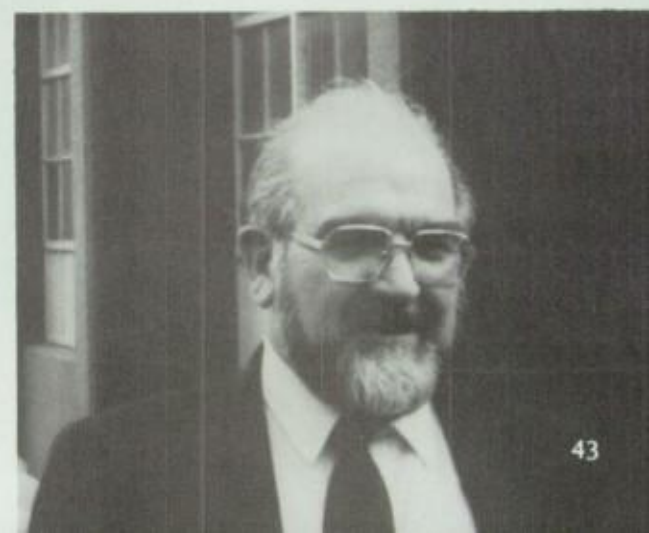

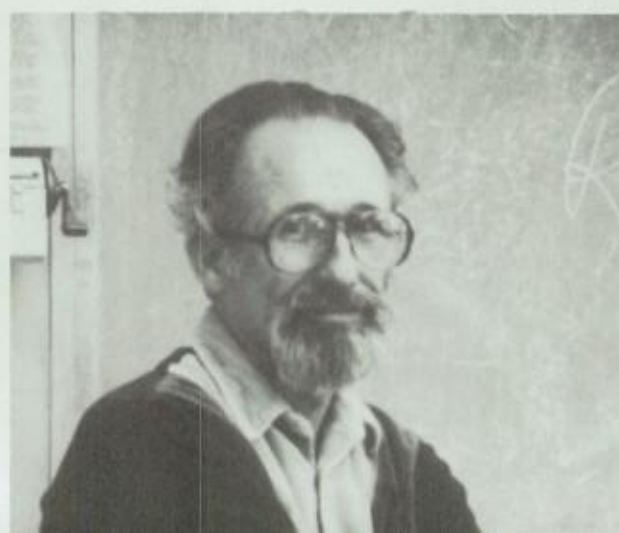

Essential to the school's function, are the cooks, and ground's crew. The cooks are responsible for preparing fine, satisfying dishes for feeding the student body as well as the faculty. The grounds crew, understaffed and not able to do the job they desire, are responsible for doing an outstanding job of keeping our campus clean.

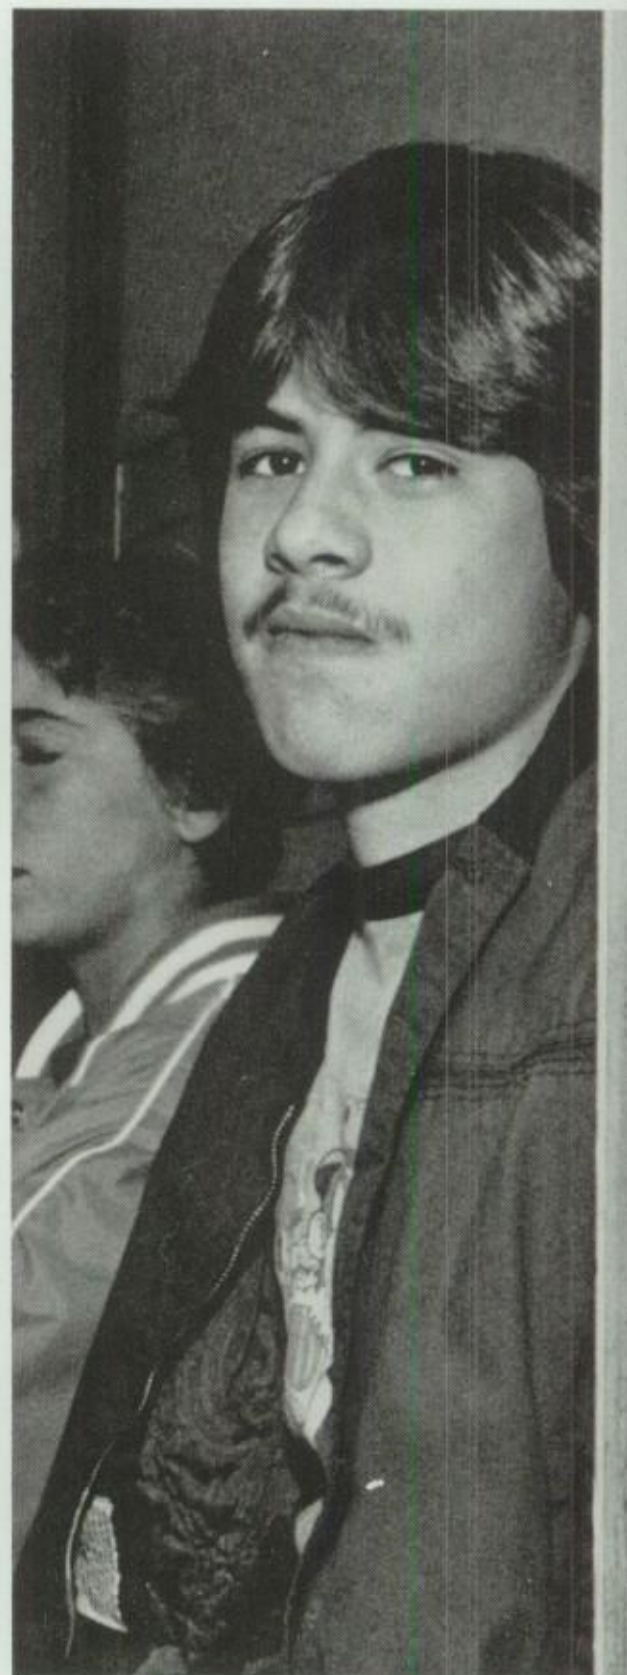

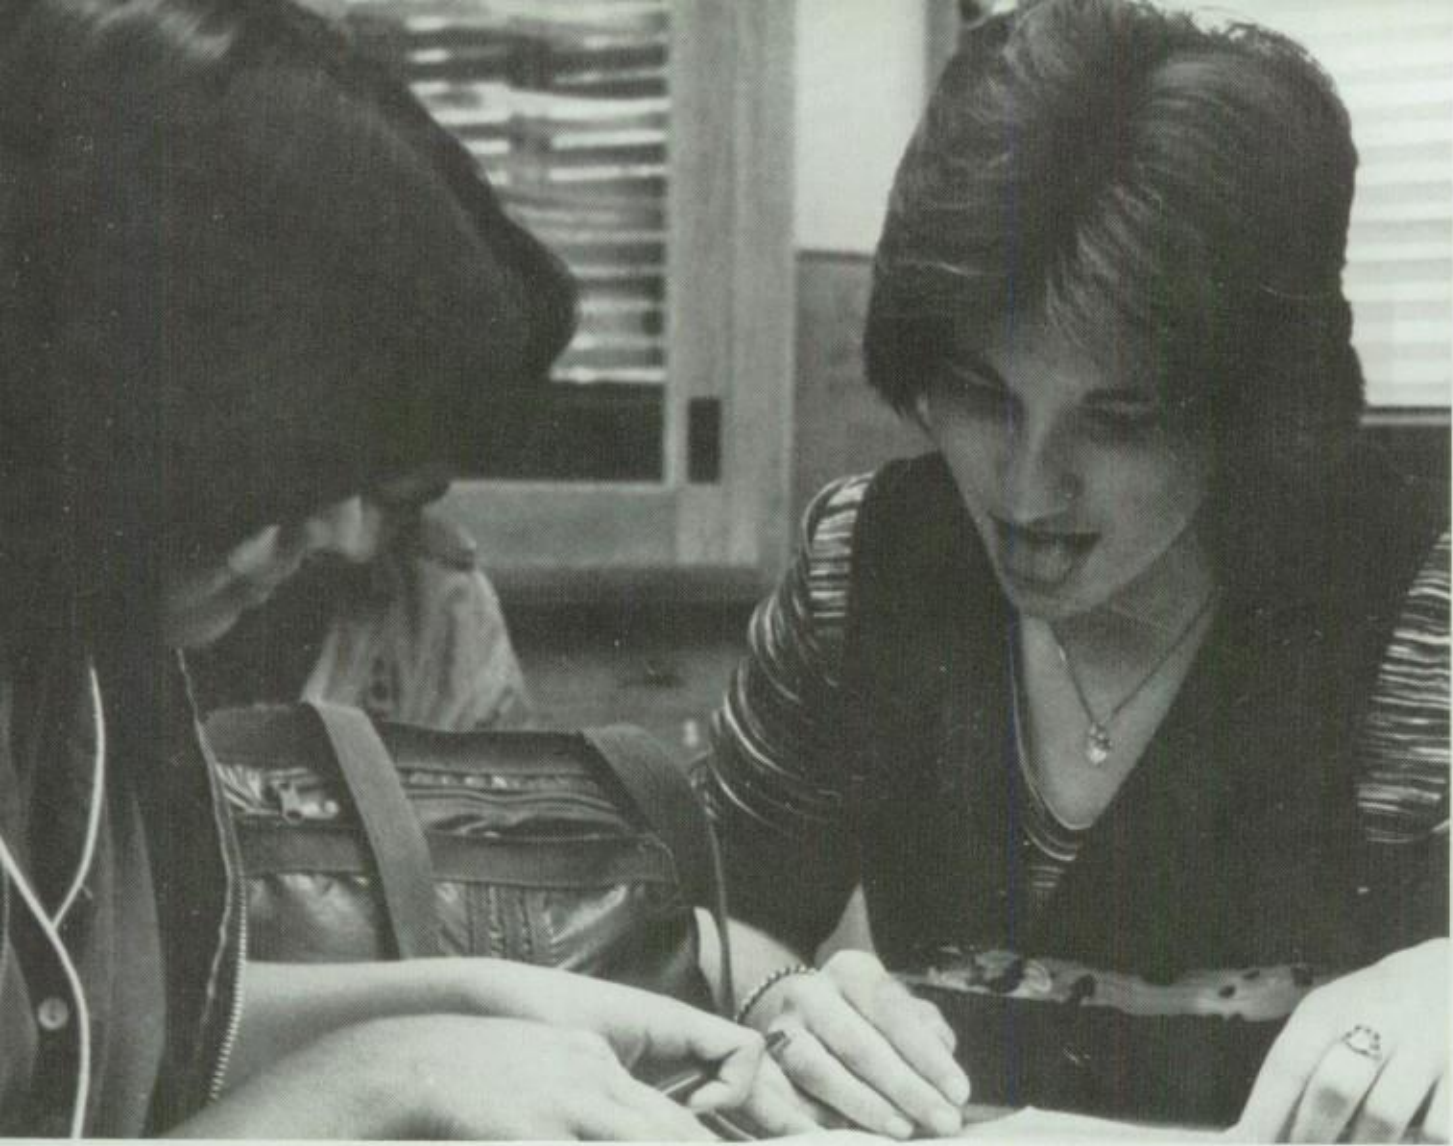

We greatly appreciate these extremely important people.

ACTIVITIES

Swept Away With Spirit Week

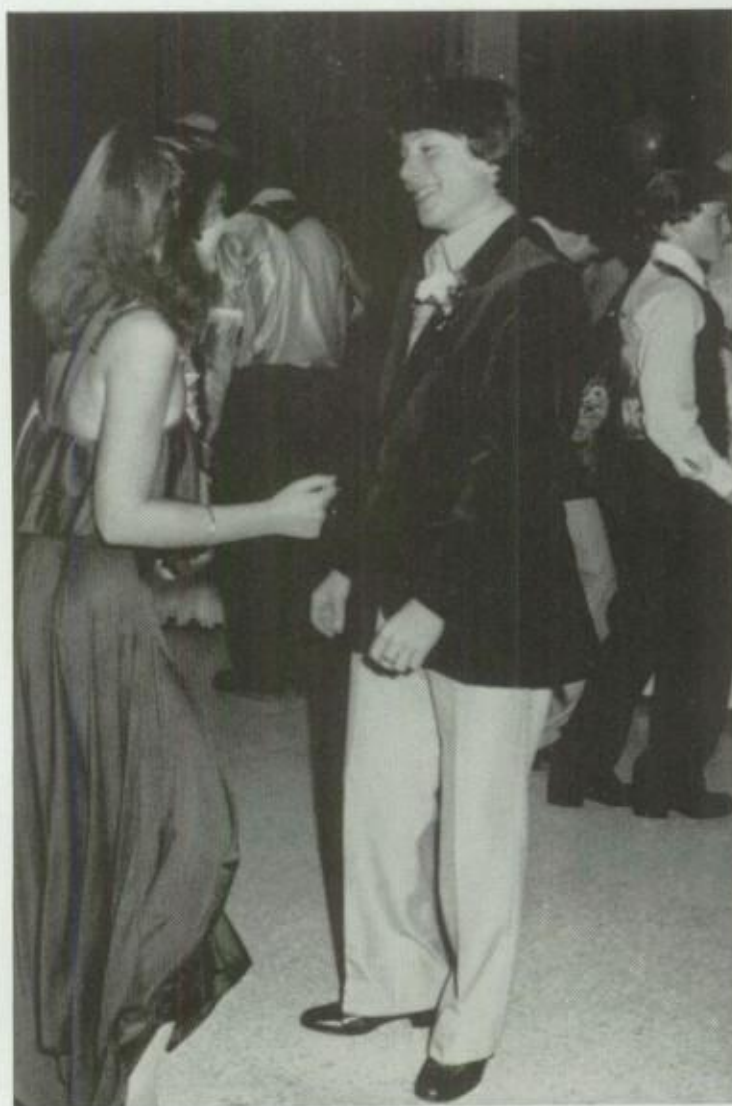

Both the Spirit Squad and Student Council worked on Spirit Week this year. Monday many kids came to school with overalls, boots, and hats on. At lunch Student Council showed us just what them thar Western Days were all about. Tuesday, a lot of the students joined the Spirit Squad in punking out to Rock Lobster. Everybody came to school Rockin' & Rollin' dressed in togas and 50's day outfits on Thursday. On Friday, most people showed their support for the football team by dressing in Green and Gold. That was the day we had our annual exchange rally with our crosstown rivals, Mills. These pages are just a sample of Capuchino's outstanding spirit.

HOMEcoming 1981

COME SAIL AWAY

Capuchino's 32nd Annual Queen's Ball was held on Saturday, November 14, 1981, in the school cafeteria. Music was provided by the top forty dance band "C.P. Salt" from 8:00 p.m. to 11:00 p.m.

Homecoming King Todd Melendres and Homecoming Queen Cheryl Rasmussen.

The Royal Court.

Senior Princess Stephanie Nichols and Senior Prince Kurt Ritchie.

Junior Princess Claudia Middendorf and Junior Prince Tony Liberty.

Sophomore Prince Chip Blundell and Sophomore Princess Stacey Steenvoorde.

Freshman Princess Lorina Palavos and Freshman Prince Mike Friedland.

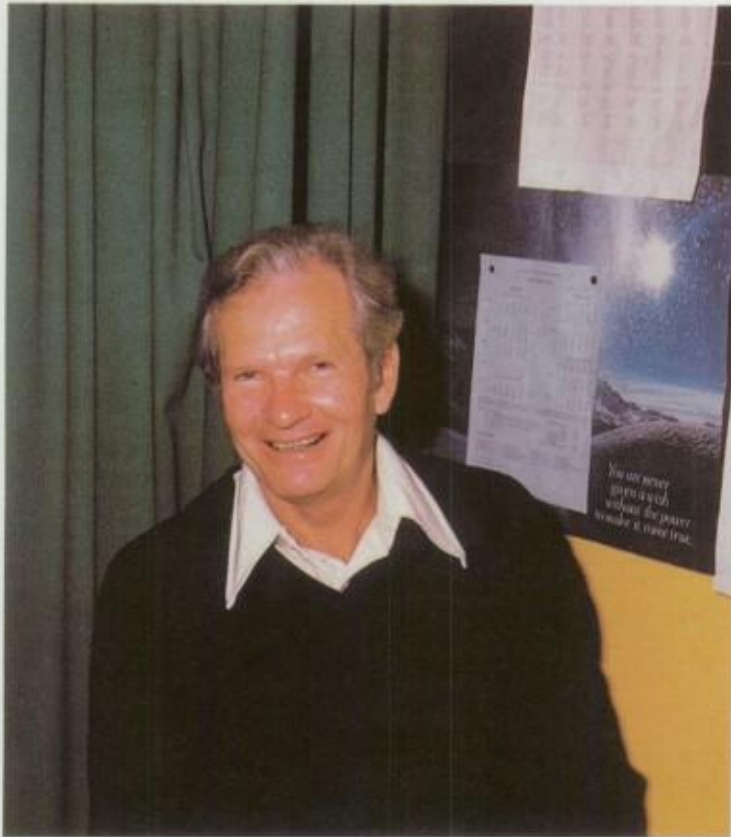

1981 Is Better Than Ever

Everyone took their shoes off and danced the night away with mist floating in the air and lights flashing around them at the Welcome Dance on Friday, September 18th. This was the first social event of the year sponsored by the Student Government. This dance was surely "Better than Ever" with music by the Sound Experience.

Publications/Journalism

Advisor - Robert Grimes

Editors - Cherri Norton, John Kristovich, and Christina Oldini.

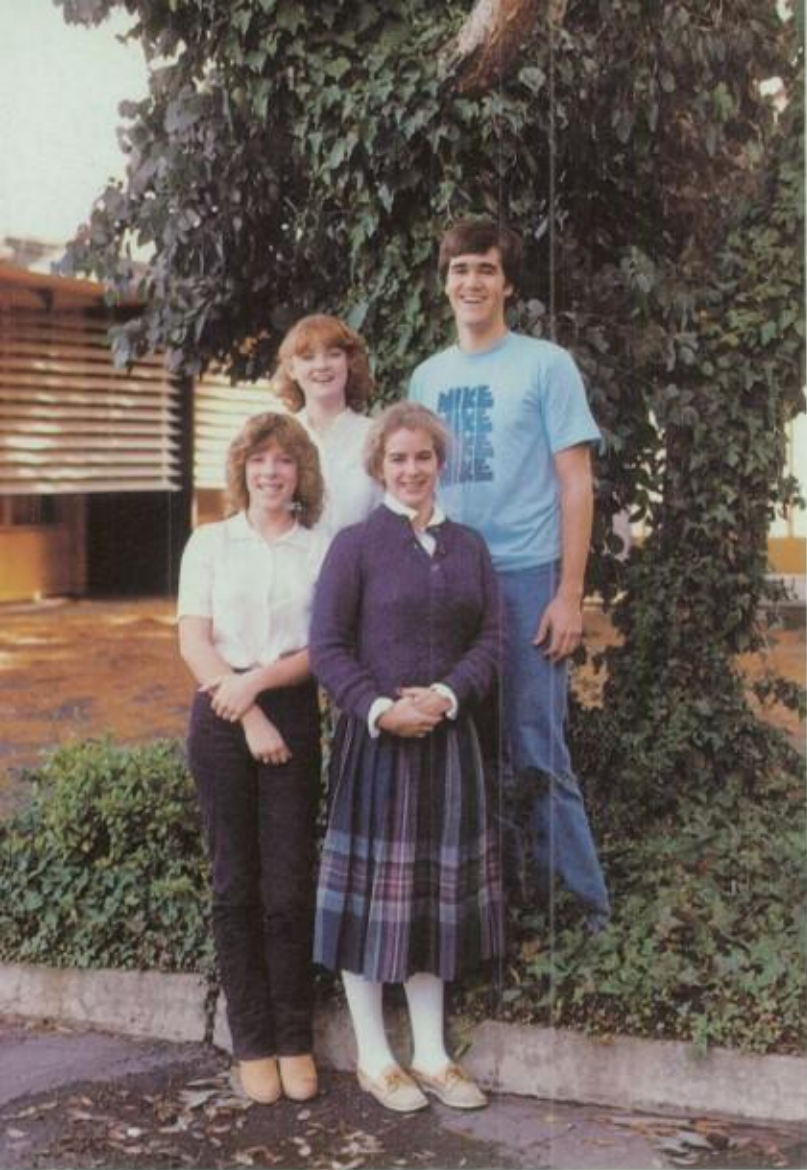

The function of the publications class is to put out this yearbook. Students in this class start out in the beginning of the year by selling ads to partially fund the cost of producing the yearbook. Then as pictures, words, and ideas come together, they are put down on layout sheets and whisked off to the printer. Meanwhile, the students convince their fellow classmen of the advantage of buying a yearbook with slick sales pitches. At the end of the year, when the yearbook is back from the printer, it is finally distributed by the publications students. For them it is a time to be proud, they have worked hard. The editors John, Cherri, and Tina, wish to give a special thanks to Mr. Grimes for all his help, and to Jojo Casey and Paul Palavos for all their contribution towards the book.

Also to be mentioned, this year due to a lack of students, the journalism class was merged with publications to make the publication of "The Stampede" possible.

The Mouse That Roared

The production of "The Mouse that Roared," was a huge theatrical success. Junior Kathy Kennelly and Cap graduate Jon Reyes starred in this musical comedy. A long list of Capuchino students also gave top rated performances.

Drum Major Julie Kilgariff

For years, CAPUCHINO has maintained a fine traditional Marching Band, and this year was no exception. The Band competed in many competitions including the Modesto Band Review on October 10, 1981, where they took first in their division. At the Concord Band Review on October 3, 1981, the Drum Major took first place, and the majorettes came in first place at the Santa Cruz Band Review on October 17, 1981. Besides competing, the band held their annual Christmas and Spring Concerts. The Band also participated in the St. Patrick's Day Parade in San Francisco on March 14, 1982. Being very active throughout the 1981-82 year, the Cap Band did a fine job.

Cap's Spirit Is Better Than Ever

The spirit at Cap can be noted not only within the spirit squad, but also the student body. The students and faculty were able to participate in rallies and theme days. Thanks to the spirit squad and the student body, these rallies were a lot of fun.

Varsity . . . Better Than Ever

This was a very successful and productive year for the Capuchino Choir. Under the direction of Mr. Robert Meadows, the choir performed for several local organizations with part of their Christmas Concert Program. At the concert, the program included selections from Handel's "Messiah". Along with several chorus pieces, choir members Joe Fournier, Lori Kirby, Hannah Winter, and Julie Look performed solos from the "Messiah." The choir also sang other holiday songs which were appreciated by their audience.

The kids in choir have a lot of fun because they enjoy singing so much. However, being in choir requires hard work and dedication to producing a beautiful sound as a group. There is room in choir for inexperienced singers as well as students who have had voice and music reading training. As long as everyone does their best, choir is always a great place to have fun and learn about music. Choir is one of the few places in school where one uses his mind, body and emotions simultaneously. Choir is a great course offered at Capuchino and, as all Choir students agree, this was a truly successful year for them.

Imported From Europe

Magnus Dahlerus

Dear Cap-ites,

At Cap this year, I have been an exchange student from Sweden. My name is Magnus, but I have been called Mag or Magnum P.I. When this was being written, during the winter recess, I was 18 years old.

I have a positive opinion of Cap. All my teachers are good at teaching and have been nice to me. The school system of America, or at Cap, anyway is different from the Swedish System. In the Swedish schools, we don't have the opportunity to choose between subjects as the American students can do here. We don't have sports; only regular P.E.

The people here are a bit different, in a way which is hard to explain, you meet more people here because you have the opportunity to choose your classes with different people. In the Swedish schools, you have the same people in almost all your classes.

During my free time here, I have, among other things, been going to band campus and parties. I've

been on a trip to Lake Tahoe and L.A. I have also been sightseeing in San Francisco.

Some of my friends favorite hobbies are: playing sports (mostly skiing), listening to music groups like Queen, the Police, Santana, Rick Stringsteen, photography and going to movies.

Since I came to Cap, I have been living with the Kent family of Millbrae. I get along very well with them, and because of that, I'm enjoying my stay with them.

Being away from home, I miss my friends, my family, and the Swedish language sometimes.

The weather, T.V. and school, among other things, are what I like about being here.

I thank all of you for making a different and enjoyable school year for me.

Mag D.S.

As an exchange student, I had the wonderful opportunity to attend a year of school here at Cap. It was a great year. About a year and a half ago, I applied to be an exchange student to the U.S.A., and after many selections, I was chosen with another 120 Belgians to make the trip across the Atlantic Ocean to the U.S.

During the first two months of my stay with my new host family, I needed to make some adjustments in terms of lifestyle. The food, the language, the weather, and the people were all different than that of Belgium.

Then school started and that was a new experience. My first struggle was to choose six subjects out of a 101 possible. There were so many, and I wanted to take all of them. In Belgium, I had to take fifteen different subjects a week.

The school here is big, very well furnished and maintained with big halls, sports fields, etc. The schools in Belgium are poor. Another big difference here was that I had different people in my classes

and I had to change from one class to another within five minutes. In Belgium, I was with the same people in the same classroom for six years, and the teachers came to our classroom rather than the students going to the teachers' classroom. You are lucky here because, as a student, you have more freedom and more say in your school than we do in Belgium.

During this year, I was able to see a lot of this State of California. Being in the band, where I played flute, I was able to visit a lot of places during the band competitions, including a great trip to Canada.

For the first time in my life, I had a warm Christmas instead of the cold and snowy ones in Belgium. I love the weather here.

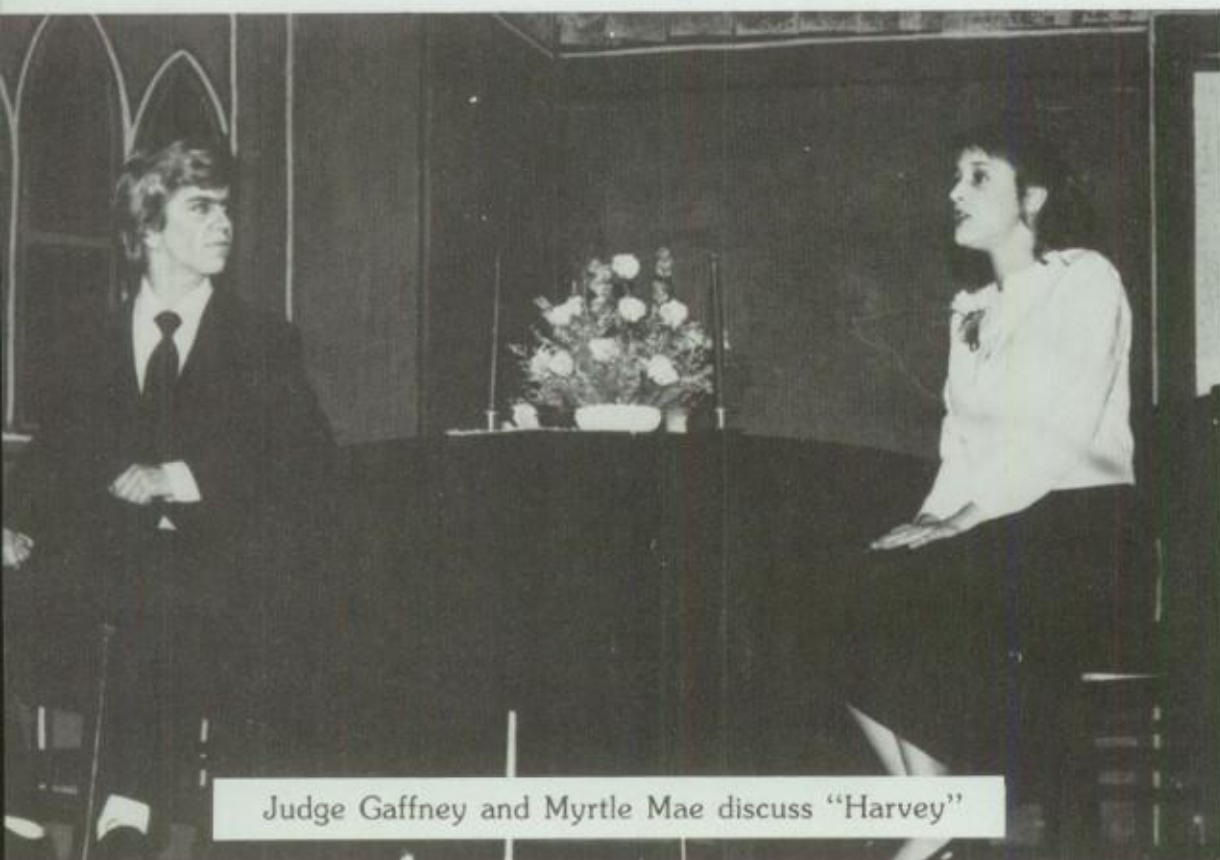

I would like to thank all of the people who helped me during this wonderful year; including the friends I made, my teachers and especially my host family. I will always hold a special place in my heart for California and Cap.

The Varsity Football team of '81 finished with a 2-6 mark and 3-6 record overall. Their best game was against Hillsdale, the #1 CCS Champs. At this game the last minute field goal cost them the game. The defense was led by First Team All-Leaguers; Darrin Kattenhorn, Jeff Kalb, Sonny Kafusi and Honorable Mentioners Fred Parker, and Andre Tabor. While on the offensive side they were led by First Team All-Leaguers; Nick Aronis and John Brown, and Honorable mentioner Steve Rider. With many returning juniors the team should be solid next year. The teams encouragement was brought by Head Coach John Minnahan and Assistants Jess Freitas, Jerry Reiger, Al Brondolo, Pat Megennon and Tim Minnahan.

Tennis Aces Aragon

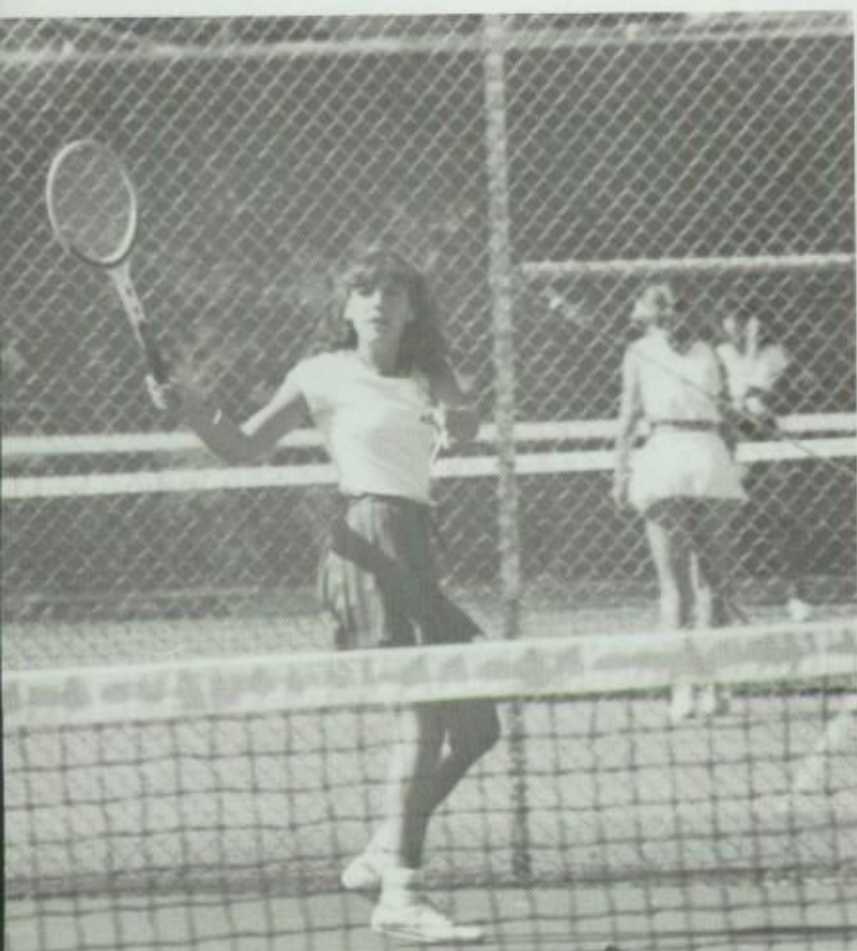

The tennis team had a lot of new players this year. The team worked hard to get the season off to a good start. Mrs. Hart, the coach of the team, tried extremely hard to get this team going. The Varsity won one match against Aragon, which was the highlight of the season. Some of the exceptional players were Michelle Sartor, #1 Singles, with a great record of 10-3, Tina Oldini, #2 Singles, who worked very hard for her position, Stephanie Balchois, #3 singles, who played her heart out, and #4 singles, Jen Barnett, who played exceptionally well this season. Lisa Vaiana and Ann Heaney were the #1 doubles team and proved to be a winning combination.

Lisa Vaiana, #1 doubles, sets up for a forehand approach shot.
Jennifer Barnett, #4 singles, serving an ace.

Tina Oldini, #2 singles, with a great form, spins one by her opponent.

Stephanie Balchois, #3 singles, with a back-hand crosscourt.

Michelle Sartor, #1 Singles, going for an approach shot.

The Junior Varsity also had quite a few good players this year. A lot of them were freshmen and will be around for next year. At the #1 doubles spot were Jill Ramirez and Cathy Curran. The girls stayed late every day practicing long hours after school and worked hard on their game. A lot of them will be moving up to Varsity next year and hopefully will win.

Ann Heaney, #1 doubles, at the district meet, doing a forehand follow through.

Lightweights

The lightweights had successful overall season placing second in the league finals. The team was very young and progressed greatly through the season ending up in the league playoffs. In those playoffs they beat league co-champion Mills and the other co-champion Hillsdale in successive nights. They were finally beaten 28-26 by Mills in the Championship final. Congratulations, lightweights.

Field Hockey Triumphs In C.C.S.

For the third time in a row, Varsity Field Hockey won the MPL championship. They finished with an outstanding record of 5-1. In Post-Season play, they advanced to the Central Coast Section playoffs to beat Gilroy in the first round. Coach Lorie Ratskins credits the team's success to the ability to play very loosely and relaxed. They ended their season with a loss in the CCS to Lynbrook, who later won first place. Thanks to the help of our seniors, goalie Kim Jacklich, back Carolyn Flahavan, link Gina Hazel and line Ingrid Coolins. They helped push the team to a successful season.

Varsity Volleyball Team- Although their league record of 4 wins and 6 losses was weak, they finished with a playoff defeat of Mills giving them a 2nd place league finish and qualified them to represent our league in the C.C.S. playoffs. Led by seniors Lisa and Laura Spina, and strongly supported by 3 year letter persons Laura Borg and Kelley Thompson, the team could be best described as "scrappy", a trait much admired by their coach and their followers. Their appearance in the C.C.S. was the 1st for a Cap Volleyball Team. They have high hopes for a return next year and a higher finish!

A special thanks goes to Mr. Jimmy Johnson for successfully coaching the Varsity Basketball Team for thirty seasons. This past season was the last coaching season for Mr. Johnson here at Capuchino. Good luck to him in whatever he does in the future. He will be missed by all.

Erwin Neubauer and Paul Goff try to get a hand on the ball in the middle of defensive territory.

This year's Varsity Basketball team started the season with only one returning letterman off of last year's CCS playoff squad. Erwin Neubauer, the only return performer, led the Mustangs all year in scoring and rebounding and was picked to the first team All M.P.L. Basketball squad. He was also the third leading scorer in the county. Although the team was very inexperienced, it played many close games in a very evenly balanced league.

Other startees and outstanding players were Steve Rider, Jessie Rivera, Ricky Pasquet, Guy Lugliani, and Adam Battani, who were guards. Dennis Balling at center, and Erwin Neubauer, Mark Baron (third team all league), Paul Goff, John Xerogeanes, and Dennis Chamblis at forwards. Others who saw action were David Saavedra, and Mike Banks at guard, and Kevin Duggan at forward-center.

The Capuchino basketball season could have been better if it wasn't for the injuries of Erwin Neubauer, Bob Diehl, and Robert Cosgaya who were all injured early in the season.

The Frosh/Soph team had a fine year. They tore up the league with a record of 9-4. Top players included Bill Galea, Sal Alioto, Tony Taffuna, Mike Mack, and Tim Bowler. These fine young men are going to be great additions to future varsity teams.

Take It To The Hoop!

Ann Heaney shows off her great form

The girl's Varsity Basketball team was very young this year with 1 senior and 4 sophomores in the starting line-up. This year's team was known as a 1st half team, leading in the 1st half only to lose in the 3rd and 4th quarters. The team also had to get use to a new coach, as well as new teammates. One thing that kept the team going was dedication. Outstanding players were: Senior Kim Saunders-Jacklich, Junior Mary Anne Spacher, and Sophomores Gigi Morgan, Marci Hernandez, Danielle Velez, and Nancy Trueman. All league 2nd Team honors went to Senior Kim Saunders-Jacklich and Sophomore Gigi Morgan who both had previously won this award. A special thanks to all the managers including, Senior Tina Oldini, and Sophomores Kelly Wacker and Amy McNaughton.

The Frosh/Soph team had a year full of the fundamentals. With the experience of Mr. Stanbridge (last year's varsity coach), the team learned the basics including shooting, dribbling, and plays. All League First Team went to freshman Marlene Orrante, and Honorable Mention went to freshman Renee Clark. Other outstanding players were sophomores Monica Medrano and Michelle Fox, and freshmen Jodie Maule, Noreen Baughman, and Angela Callas.

Wrestling at Capuchino, led by coach Art Fanfelle, has had winning records consistently for the past couple of years and has become an overwhelming "powerhouse" in the Mid Peninsula League.

This year the Mid Peninsula League and the South Peninsula League combined to form the Mid-South Peninsula League. The Mustangs once again showed their might by defeating every opposing team by an average of over 35 points.

The varsity was led by senior Ron Bellanti, who had a record of 27 wins, 2 losses, and took home first place medals in 3 major tournaments. He was also league champion in the 126 lb. weight class. Ron broke the all time record for most career wins, with 71. Other achievers were, Matt Medrano, a junior in the 119 lb. weight class. Matt made the most takedowns and points ever in one season, and had a record of 28 wins, 5 losses. Rich Ellingsen, a sophomore at the 112 lb. weight class, compiled a record of 23 and 5, 16 of his wins by pins, breaking the all-time record for most pins in a single season. Surely the outstanding freshman was Mike Walsh. Mike improved greatly over the season and had a record of 24 and 6, setting a new record for most wins by a freshman. He became league champ in the 105 lb. weight class by pinning the defending league champ.

Besides personal records, the team also broke several records: Most pins, 222; most points scored, 3388; most ta-

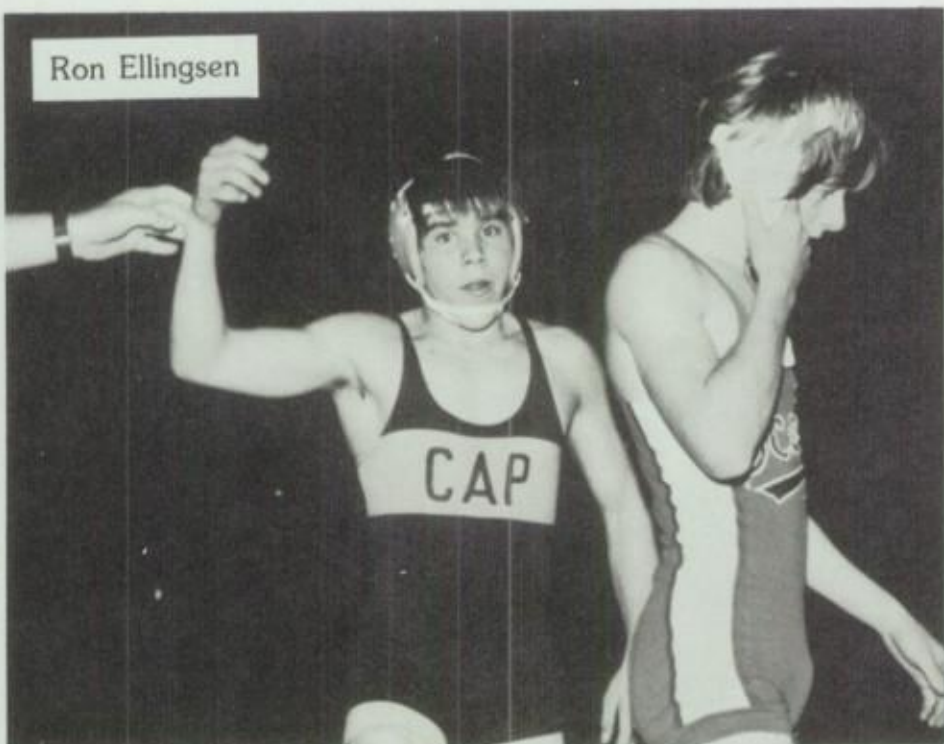

kedowns, 591; best winning %, 64.5%, and largest winning differential.

The Varsity finished up the year with a dual meet record of 8 and 0 in league and 8 and 1 overall, and remained league champions by compiling 19812 points, outscoring their nearest opponents by almost 97 points. The mighty Mustangs had 6 league champions; Mike Walsh, Rich Ellingsen, Matt Medrano, Ron Bel-

lanti, Kerry Sako and Gerald Palmer; Second place finishers; Terry Ambus, and Oscar Fakahua; Third place; Ken Ryerson, Mike Frei and Jeff Kalb. One fourth; Nat Medrano, and one fifth, Mike Salinas. They are sending 11 people to the C.C.S. tournament.

This was truly an outstanding year for these superior athletes in the very demanding sport of wrestling.

The Varsity Soccer team, coached by Jose Villarencencio, put forth a tremendous effort, even though the scores did not reflect the team's ability. Under "Mr. V's" superb coaching, the team showed both excellent passing the ball control skills on the field. This year proved a very tough season with many top contending opponents in the county. With the many talented returning veterans, next year promises a more competitive and successful season.

Coaches give the team a pep talk

The Varsity Baseball team coached by Pete Harames, tried to repeat last year's performance of coming in 2nd in the Central Coast Section. They had two returning starters, Dave Shrout, who lead the team in the hitting dept., and Erwin Neubauer, who led the team on the mound. Along with Erwin, there was a junior on the mound, Nick Kronecke, who looked like a promising player.
